A motion was made to expend money from the Professional Services budget line item, not to exceed \$500, to have a wetlands scientist survey the 20-acre Sawyer parcel to identify the current accuracy of the published Hydric soil survey. The motion was seconded and passed unanimously. Tim was authorized to contact the RCCD to make arrangements for the survey.

The next meeting of the Commission will be Monday, January 22nd, at 7:00.

The meeting adjourned at 7:05.

Respectfully submitted,

Pete McVay
